3 June 2022

Dear Parents

Just a short note to wish all our families the very best for the upcoming summer break. I would like to wish out exam students all the best for the weeks ahead. Please relax and do your best, we can ask no more. Indeed, as important as the state exams are to influence the next stage of our student's lives, the key skills that you have embraced as Jesuit students is what will help you throughout the next number of years and beyond.

I would like to thank all our school staff for the care that you have given to all our students over the last year. It has been a year of academic excellence, return of Arts and Drama, Green Schools success and so much sporting success also! It also has been a year where we have returned to the normality of seeing smiling Crescent faces throughout our school community.
